Wendell O. Scott, MD Expands Independent Medical Examiner Practice

New Providence, NJ - Wendell O. Scott, MD Consulting (WOSMD) today announces the launch of its new website www.wosmd.com, presenting an expanded listing of multi-specialty medical experts available to partner with attorneys, insurance carriers, government agencies and other entities. The WOSMD advantage, detailed on the website and [LinkedIn](#), is the thorough handling of complex medical cases, the array of highly qualified board-certified physicians and a superior 28-year track record.

“The mission of WOSMD is to bring the best minds together and arm our clients with the expertise to present their cases in the strongest possible light,” states Wendell O. Scott, MD. “We specialize in complex cases and our clients know they can count on the experience of our team to present medical data in a clear and compelling way both in written reports and when providing objective expert witness testimony. Additionally, our experts are regularly available for discussion with clients regarding any aspect of their case.”

Wendell O. Scott, MD and associated experts provide comprehensive medical evaluations, prepare highly detailed reports and skillfully present expert testimony which has yielded a high success rate. Dr. Scott has provided insight and guidance to attorneys, insurance carriers, governmental agencies and other entities for more than 28 years. Dr. Scott has performed medical malpractice review, IMEs in
